

1100 SCHOOL SAFETY

1101 School Safety and Security

In order to fulfill its obligation to provide a safe and secure learning environment, the Board of Education has adopted this School Safety and Security Policy. Although the district will take reasonable steps to protect students and staff, no entity can provide complete safety and security at all times. This policy does not make the district a guarantor of the safety of students, staff or patrons.

I. General Safety and Security

a. NDE Rubric

The District will meet at least the minimum requirement for each school safety and security standard indicator adopted by the Nebraska Department of Education.

b. School Hours

- i. During a crisis situation, the administration will maintain established school hours and proceed with all co-curricular activities as scheduled whenever possible.
- ii. If, during a crisis situation, the parent(s) or guardian of a student decide that the student needs to be absent, this absence will be excused.

c. Access to School Facilities

- i. The school's facilities may not be used for funeral or memorial services during the school day.
- ii. This policy does not discourage the presentation of traditional American Legion memorial services which promote patriotism.

d. Memorials

- i. Memorials often create a visual reminder of a particular crisis that may reintroduce feelings of grief for students. Therefore, memorials may not be displayed anywhere on the school premises without board approval.
- ii. This policy is not intended to discourage the acceptance of memorial funds or specific items.

II. Superintendent's Duties Related to Safety and Security

a. Appointment of Crisis Team

The Superintendent shall appoint members to serve on the school district's crisis team. The superintendent may, but is not required, to include representatives from the following groups on the crisis team:

- Administrators
- Teachers
- Health/mental health
- Facilities staff
- Transportation staff
- Food service staff member
- Students
- Parents
- Staff member with expertise on the needs of students with disabilities
- Organizations that serve the disabled
- Organizations that serve the needs of minority populations (ELL, race, etc.)
- Representatives from local early responders (law enforcement, fire and rescue personnel, railroad, factories, etc.)

b. Compliance with Fire and Safety Codes

The Superintendent will ensure that the school district meets all current fire and life safety codes or is in the process of coming into compliance.

c. Annual Safety Audits

The Superintendent will arrange for the performance of an annual safety audits using an external consultants utilizing the standardized audit protocol adopted by the Nebraska Department of Education.

d. Mutual Aid Agreements

The Superintendent will enter into mutual aid agreements to address the academic, physical, operational, psychological, and emotional recovery areas when possible with appropriate local entities.

III. Building Principals' Duties Related to Safety and Security

a. Positive and Safe Learning Environment

Each building principal shall implement a school-wide behavior process to create a positive and safe learning environment.

Each building principal shall conduct training on and require enforcement of the district's anti-bullying and dating violence policies.

Each building principal shall ensure that staff complete the required suicide prevention training as required by board policy.

Each building principal shall require staff to engage in active supervision of students at all times

b. Visitor Protocol.

Each building principal shall adopt a protocol for visitors to his/her school building to sign in upon arrival and departure and to be identified as a visitor while they are in the building during the school day. The protocol must also address visitors in specialized areas of the school such as playgrounds, gyms, cafeterias and the like.

This protocol may be written or unwritten but must be clearly communicated to and enforced by all staff.

The building principal will report individuals who repeatedly violate the visitor protocol to the superintendent for possible exclusion from school facilities pursuant to board policy.

c. Emergency Drills

Each building principal must ensure that the following drills are conducted in his/her building:

- i. Fire drills (evacuation): One fire drill conducted monthly with one additional drill being conducted during the first 30 days of school.
- ii. Tornado drills (shelter): One drill during the first two weeks of school and the second drill during the month of March.
- iii. Bus evacuation drills: Two drills during the school year involving all students and appropriate staff. Recommended that one drill occur during the first month of school.

Each building principal must also conduct any non-required drills recommended by crisis team.

Each building principal shall conduct a performance review of each of the drills conducted pursuant to this policy. This review does not have to be in writing.

The school district shall provide access to the district's buildings, grounds and activities to students, parents or guardians of students, and other persons who have legitimate reasons for being on school grounds. The superintendent of schools or his or her designee (referred to herein as the "administrator") may limit or deny access to school buildings, grounds, and activities to any person who:

1. Disrupts the educational environment;
2. Repeatedly fails or refuses to comply with the visitor protocol adopted by each building;
2. Is unreasonably boisterous;
3. Engages in violence, force, coercion, threats, intimidation, or similar conduct;
4. Causes or attempts to cause damage to school property or to the property of any student or school employee;
5. Causes or attempts to cause personal injury to any student, school employee or other person on school grounds or at a school activity on or off school grounds;
6. Uses vulgar, profane, or demeaning language; or
7. Uses fighting words;
8. Poses a danger to the safety and well being of students.

Upon determining that a person has engaged in, or is engaging in conduct that constitutes grounds for exclusion under this policy, the administrator shall take such action as he or she determines appropriate, including directing the person to cease engaging in the conduct or to leave the school premises or activity immediately. The administrator may request assistance from law enforcement authorities to remove an offending person from the school grounds.

The administrator shall have the authority to fix the time when, and the conditions under which, the offending person may return to school premises. A person who enters school premises in violation of these conditions shall be deemed to be trespassing. The administrator may summon law enforcement authorities to remove the person and request that criminal proceedings be initiated.

The board of education is committed to providing a safe environment for members of the school

community. Students, staff and patrons are urged to immediately report any statements or behavior that makes the observer fearful or uncomfortable about the safety of the school environment.

1. Obligation to Report threatening Statements or Behaviors.

All staff and students must report any threatening statements or behavior to a member of the administration. Staff and students must make such report regardless of the nature of the relationship between the individual who initiated the threat or threatening behavior and the person(s) who were threatened or who were the focus of the threatening behavior. Staff and students must also make such reports regardless of where or when the threat was made or the threatening behavior occurred.

THREATS OR ASSAULTS WHICH REQUIRE IMMEDIATE INTERVENTION SHOULD BE REPORTED TO THE POLICE AT 911.

2. Threat Assessment Team

The threat assessment team (team) shall consist of _____. [this team should include at least the superintendent of schools, building principal(s), guidance counselor and local law enforcement. It also could include the school nurse, members of the mental health profession who would be willing to work with the school. It should not include parents or board members. Members of the school crisis team may also serve on the threat assessment team.] The team is responsible for investigating all reported threats to school safety, evaluating the significance of each threat, and devising an appropriate response. The threat assessment team shall work closely with the crisis team in planning for crisis situations. The threat assessment team shall be familiar with mental health resources available to students, staff and patrons and shall collaborate with local mental health service providers as appropriate.

3. Threat Assessment Investigation and Response

All reports of violent, threatening, stalking or other behavior or statements which could be interpreted as posing a threat to school safety will immediately be forwarded to a member of the team. Upon receipt of an initial report of any threat, the team will take steps to verify the information, make an initial assessment, and document any decision involving further action. This investigation may include interviews with the person who made the statement(s) or engaged in the behavior of concern, interviews with teachers and other staff members who may have information about the individual of concern, interviews with the target(s) of the threatening statements or behavior, interviews of family members, physical searches of the individual of concern's person, possessions, and home (as allowed by law and in cooperation with law enforcement), and any other investigatory methods that the team determines to be reasonable and useful.

At the conclusion of the investigation, the team will determine what, if any, response to the threat is appropriate. The team is authorized to disclose the results of its investigation to law enforcement and to the target(s) of any threatened acts. The team may refer the individual of concern to the appropriate school administrator for consequences under the school's student discipline policy or,

if appropriate, report the results of its investigation to the student's individualized education plan team.

4. Communication with the Public about Reported Threats

To the extent possible, the team will keep members of the school community informed about possible threats and about the team's response to those threats. This communication may include oral announcements, written communication sent home with students, and communication through print or broadcast media. However, the team will not reveal the identity of the individual of concern or of any target(s) of threatened violence if that individual is a minor.

5. Coordination with the Crisis Team After Resolution of Threat

The threat assessment team will confer with the district's crisis team after a threat has been investigated to provide the crisis team with information that the crisis team may use in assessing or revising the district's All-Hazard School Safety Plan.

1104 Crisis Team Duties

The crisis team is responsible for planning for the safety and security of the school, staff, and students. The teams will respond to and manage any safety or security incident that occurs in the school setting or which has the potential to disrupt the orderly operation of the school system.

1. Membership on and Chair of Team

The superintendent will appoint members to serve on the crisis team.

If the superintendent does not serve on the crisis team personally, he/she shall appoint an individual to serve as the chair of the crisis team. The chair of the crisis team shall have the responsibility of scheduling crisis team meetings, documenting crisis team actions and reporting to the board at least annually on the district's All-Hazard School Safety Plan and other activities of the crisis team.

2. Meetings of the Crisis Team

The crisis team will meet at least twice annually with representatives from local law enforcement and local fire and rescue personnel. At these meetings, the team will coordinate with local agencies to prepare for and communicate about a variety of real world scenarios.

The crisis team will meet at such additional times as necessary to fulfill the duties given to it pursuant to this policy.

3. School Self-Assessment

The crisis team shall conduct the self-assessment created by the Nebraska Department of Education as part of its School Safety and Security Standards. This assessment shall be conducted for each school building. The team shall report the results of this self-assessment to the superintendent and to the board of education.

Either the superintendent or the chair of the safety committee will also report the results of the self-assessment to the Nebraska Department of Education.

4. All-Hazard School Safety Plan

The crisis team will create an All-Hazard School Safety Plan. The plan must be customized to the needs of each of the school district's buildings. The plan must include all of the components required by the School Safety and Security Standards adopted by the Nebraska Department of Education, and shall meet at least the minimum indicators set by those Standards.

The crisis team shall share a copy of the district's All-Hazard School Safety Plan with local authorities and first responders.

The chair of the crisis team shall provide a copy of the district's All-Hazard School Safety Plan to the NDE Security Assessor at least one-week prior to the assessor's scheduled visit to the district.

5. Standard Response Protocol (SRP)

Crisis team shall be knowledgeable about the Standard Response Protocol promoted by the "I love u guys" Foundation.

The crisis team will coordinate with members of the administrative team to arrange for all students, employees and other individuals who routinely use the district's facilities to receive SRP training and guidance.

The crisis team will assess the need for SRP to be implemented at off campus locations where students may be present for school activities.

The crisis team will confer with individuals knowledgeable about students, staff or patrons who may have special needs in order for those individuals to be able to understand and implement the SRP.

6. Consultation With Building Principals

The crisis team shall confer with the principal of each building within the district to ensure that visible signage is present in each building which meets the needs of local emergency responders

The crisis team will review the utility of non-required drills in light of the needs and unique circumstances present within each building within the district. Non-required drills recommended by NDE include lock-down, lock out, evacuation, shelter and reunification process. The crisis team will consult with building principals to review both required and non-required drills.

7. Consultation with Threat Assessment Team

The crisis team will consult with members of the threat assessment team to determine if the district's All-Hazard School Safety Plan has been appropriately implemented and if it should be modified or updated.

8. Review of Training

The crisis team shall review the training which the school system provides for specified employees in required areas to comply with local, state, and federal regulations.

The crisis team shall also review any non-required training which could be provided to appropriate staff to increase the safety and security of the school district and its students, staff and patrons. If the team believes such non-required training would be beneficial, it shall recommend to the superintendent that the training be provided to the identified staff member at district expense.

9. Communication with School Community and Stakeholders

The crisis team will work continuously to improve communication with the school community and relevant stakeholders. This communication shall include, but not be limited to, the communication strategies and protocols identified in the district's All-Hazard School Safety Plan.

10. Communication with the Board of Education

The crisis team will report to the board at least annually on its activities. This report may be included as part of the superintendent's report at a regular board meeting.

1105 Workplace Injury Prevention and Safety Committee

The school district is committed to providing and maintaining a safe work environment, and to taking reasonable precautions for the safety of the students, employees, visitors, and all others having business with this school district. Every employee of the district should show concern for the safety of fellow employees, students, and members of the public. The district shall have a workplace injury prevention and safety committee as required by Nebraska law. A maintenance custodian, teacher elected by the staff, and superintendent or designee shall be members of the committee.

The committee shall adopt and maintain a written injury prevention program. The committee shall participate in the development of safety education, training, and the establishment of safety rules, policies and procedures pursuant to this policy, the district's written injury prevention program, or as otherwise provided by law. Training for employees shall be conducted annually.

The workplace injury prevention and safety committee shall maintain minutes of all meetings and file them in the district office. The committee shall implement accident investigation, record keeping procedures, safety rules, safety and health training, and policies. The district shall maintain records for at least three years, or longer if directed by the Department of Labor.

The committee shall meet at least once every three months or more frequently in the event of an employee complaint or of a job-related injury or death. The workplace injury prevention and safety committee shall keep written minutes of all meetings, and provide a copy to the superintendent or designee who shall maintain the minutes in the district's administrative offices for a period of at least three years, unless otherwise instructed by the Department of Labor.

The workplace injury prevention and safety committee shall develop an injury prevention plan and present it to the board. The plan should be developed and presented in the spirit of employees working together in a cooperative, non-adversarial effort to promote safety at the work sites within the district.

The superintendent or designee shall assure that the safety training for employees is reviewed annually or more frequently, if needed. He or she shall provide the following, as set forth in the initial written Employer's Injury Prevention Plan:

1. Initial safety orientation on rules, policies, and job specific procedures for new employees or employees who are assuming new and different duties within the school district, if appropriate.
2. Job specific training for employees before they perform potential hazardous work.
3. Periodic refresher training and dissemination of information on an annual basis, or more frequently if so designated by the administrator, for employees regarding the injury prevention plan of the unit and safety rules, policies, and procedures pertaining to safety within the school district.

In the event of a death in the workplace, the workplace injury prevention and safety committee shall forward to the Department of Labor within 15 working days a copy of any review of the matter made by the workplace injury prevention and safety committee.

The superintendent or designee shall establish or cause to be established record-keeping procedures to control and maintain all accident and injury records pertaining to accidents and injuries within the district or activities under the control of the district. Such records shall be kept for at least three years, or longer if so advised by the Department of Labor.

The workplace injury prevention and safety committee will confer with the district's crisis team and shall review the district's All-Hazard School Safety Plan upon its adoption by the crisis team.

1108 Student Bullying

Bullying Prohibited. Students are prohibited from engaging in any form of bullying behavior.

Without limiting any definition of bullying under any state or federal law or regulation, bullying behavior, as used herein, refers to the use of physical force or verbal, nonverbal, written, and electronic communication (including but not limited to instant messaging, text messaging, e-mailing, and using websites) to threaten, intimidate, ridicule, humiliate, or harass any person.

Disciplinary Consequences. The disciplinary consequences for bullying behavior will depend on the frequency, duration, severity and effect of the behavior.

A student who engages in bullying behavior on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or his or her designee, or at school-sponsored activities or school-sponsored athletic events may be subject to disciplinary consequences including but not limited to long-term suspension, expulsion, or mandatory reassignment.

Without limiting the foregoing, a student who engages in bullying behavior that materially and substantially interferes with or disrupts the educational environment, the district's day-to-day operations, or the education process, regardless of where the student is at the time of engaging in the bullying behavior, may be subject to discipline to the extent permitted by law.

Bullying Prevention and Education. Students and parents are encouraged to inform teachers or administrators orally or in writing about bullying behavior or suspected bullying behavior. School employees are required to inform the administrator of all such reports. The appropriate administrator shall promptly investigate all such reports. Each building shall engage in activities which educate students about bullying, bullying prevention and digital citizenship.

Policy Review. The school district shall review this policy annually.
